Vendor Approval and Selection: Approval and selection of vendors will depend on product type, quality and pricing, vendor staff cleanliness, appearance, public treatment and vendor history. The County reserves the right to deny rental of a commercial booth space. Previous participation in the Mesa County Fair does not guarantee Vendor priority treatment. In order to maintain product balance, and as a means of encouraging new products, it sometimes becomes necessary to deny booth space requests when too many vendors wish to exhibit or sell the same or related products. Applicants also may be denied due to specific location and or physical requirements, space availability, or late application packet receipt. Selection of Vendor's application does not imply endorsement by the Mesa County Fair of the Vendor's products or services.
